Innovation Broking Webinar

“Covid-19 and The New Normal”

Webinar Event : Covid-19 and The New Normal
Date: Thursday 4th June 2020
Time: 3pm – 4.30pm

Brought to you by: Innovation Broking Charity & Care team,
and sector experts

Innovation Broking understand many charity and care organisations are going through unprecedented change.

Managing your risk as we look to return to work in what will be a new normal is a risky business and we have pulled together a short Webinar to give guidance.

The topics selected are regular questions we receive from clients and will give practical advice and tips.

Agenda

- Introduction & Registration: *Host - Jonathan Taylor, Head of Charity & Care*
- Covid-19 Risk Controls: *With over 500 years of social care experience in the team, Markel are well placed to offer guidance and advice around use of PPE and highlighting areas to consider for your return to work.*
- Insurance Implications: *Innovation Broking will take you through the key areas where insurance cover might respond and the current insurance landscape.*
- Cyber: *Cyber criminals are not slowing down for Covid-19. Our friends at ReSolve Cyber will talk through recent trends and tips to protect yourselves. This will include use of technology, such as Zoom.*
- Q & A: *An opportunity to ask any questions you have on topics raised or wider concerns*
