

Art & Design at WHSS

Intent

All boys should develop skills, knowledge and confidence

All boys to have the opportunity to create meaningful art work.

Implementation

*Art helps our boys develop confidence, become critical thinkers, learn tolerance and respect and lots other life skills like sharing, & turn taking
Art also provides opportunities for them to develop technical skills in different creative media.*

Art is **implemented** through schemes of work delivered by a specialist Art Teacher or non specialist that cover a broad range of projects, themes, media, & skills

Impact

The **impact** of the learning is measured ultimately by the qualifications achieved.

All boys should achieve an Arts Award qualification and a GCSE by the end of Year 11.
